SECURITY OF INFORMATION

- I. Letters or memoranda to the British Food Mission and the Government Purchasing Commission of the Soviet Union have been marked "Secret and Confidential." In order to have uniformity in classification of our numbered correspondence, Program Liaison will classify such letters before they are forwarded to the Missions. Accordingly, no classification shall be placed on letters or memoranda originating in this Division.
- II. When such letters are classified by Program Liaison and copies forwarded to this Division, such copies should be safeguarded in line with Security Regulations governing the handling of such classified material.
